

# Respite Worker

12 - 24 hours per week – flexible working hours

Five-year fixed term, £ to be agreed

Based in Llay Park Resource Centre with work across Wrexham

## Closing date for applications is 10<sup>th</sup> July

Following the award of our Lottery Community Fund grant, we are thrilled to be able to offer the opportunity for someone to join our team as a Respite Worker.

Your Space is an autism charity based in Llay Park Resource Centre, Wrexham. We offer a range of activities for children and young adults with autism and also support the family and wider community. Our friendly team of staff are passionate about the work we do and we value the wellbeing of all staff, volunteers and family members.

We are looking to recruit a Respite Worker, who will be responsible for travelling (using their own transport – expenses will be reimbursed) to family homes to take a child with Autistic Spectrum Condition and a friend aged 12 years+ on a day out in the community.

A full risk assessment will be conducted prior to any booking being made.

The Respite Worker will manage their own working hours, using booking software to communicate their availability so that families can pre-book appointments.

During the school term, we expect bookings to be made after school hours and over the weekend. During school holidays, bookings will be made during the day and evening, weekdays and weekends. Appointment durations will vary between 2 – 4 hours long.

This role will be fully supported by our dedicated and experienced team and the Respite Worker will receive full training. This role offers valuable work experience, job satisfaction and working hours flexibility.

We are looking for someone who has lived or worked with someone with autism and is passionate about promoting the wellbeing of others. The ability to speak Welsh is also desirable.

If you are interested in applying for this role, please contact Rachel Hancocks, Charity Manager on 01978 856 859, or send an email to [rachel@yourspacemarches.co.uk](mailto:rachel@yourspacemarches.co.uk)

Many thanks for your interest and we look forward to hearing from you.
