Following the award of our Lottery Community Fund grant, we are thrilled to be able to offer the opportunity for someone to join our team as an Activity Worker.

Your Space is an autism charity based in Llay Park Resource Centre, Wrexham. We offer a range of activities for children and young adults with autism and also support the family and wider community. Our friendly team of staff are passionate about the work we do and we value the wellbeing of all staff, volunteers and family members.

The role of the Activity Worker will be to assist the Activity Leader with the planning and running of a range of activity sessions for children and young adults with autism and related conditions.

The sessions take place in a safe and welcoming environment and their aim is to provide fun and interesting ways to engage the young people in activities that promote friendships and build self-esteem and confidence as well as support the development of social and life skills.

This role offers valuable work experience and job satisfaction.

We are looking for someone who has lived or worked with someone with autism and is passionate about promoting the wellbeing of others. The ability to speak Welsh is also desirable.
